Subject: M54 to M6 Link Road Proposal: Adequacy of Public Consultation

Dear Sir

On behalf of Cannock Chase Council, I am able to respond to your letter dated 31 January 2020 regarding the adequacy of the consultation undertaken by Highways England regarding the above scheme.

I am pleased to confirm that Cannock Chase Council does not have any concerns regarding the adequacy of consultation. The Council has participated at every stage of the consultation, and are supportive of the proposals which will bring urgently needed capacity improvements to this part of our local highways network.

As previously indicated, the main concern Cannock Chase Council has regarding the proposals, is the extended timescales for implementation which now means that work on the scheme is now unlikely to commence until imminent works at J10 of the M6 have been completed.

Regards.

Glenn Watson
Planning Services Manager.
