# 1 Introduction

## 1.1 Purpose of this document

- 1.1.1 This Book of Reference relates to an application made by Highways England (the 'Applicant') to the Planning Inspectorate (the 'Inspectorate') under the Planning Act 2008 (the '2008 Act') for a Development Consent Order (DCO). If made, the DCO would grant consent for the Applicant to undertake the M54 To M6 Link Road (the 'Scheme').
- 1.1.2 This Book of Reference lists the plots of land over which the Applicant is seeking powers of compulsory acquisition (Articles 20 and 21), powers to compulsorily acquire new rights (Article 23) and powers of temporary possession (Articles 29 and 30) in the DCO for the purposes of the Scheme. For each plot it identifies whether the Applicant is seeking the power to acquire that plot outright, the power to create and/or acquire permanent rights, or the power to create and/or acquire temporary rights of possession and use. It also lists the persons with land outside the DCO boundary who may be entitled to make a relevant claim for compensation due to the effects of construction or when the new road is in use.
- 1.1.3 This Book of Reference has been prepared and submitted in compliance with Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the '2009 Regulations'), as amended, and in accordance with the Department for Communities and Local Government guidance 'Planning Act 2008: Guidance related to procedures for compulsory acquisition' (September 2013).
- 1.1.4 As this Book of Reference is part of the application documents, it should be read in conjunction with the Land Plans **[TR010054/APP/2.2]**, the Special Category Land Plans **[TR010054/APP/2.6]**, the Statement of Reasons **[TR010054/APP/4.1]** and the draft DCO **[TR010054/APP/3.1]**.
- 1.1.5 The Applicant is in receipt of a letter dated 3<sup>rd</sup> June 2020 from the Coal Authority confirming that their interest is not Crown Land for the purposes of the Planning Act 2008. This means that there are no Crown interests within the limits of the DCO application and, accordingly, no Crown Land plans are required. This letter was sent to the Inspectorate for consideration by the ExA on 26 June 2020 [AS-040]. Should the ExA agree with this position, the Applicant would withdraw the Crown Land Plans **[TR010054/APP/2.3]** and they will no longer form part of the application.
- 1.1.6 This Book of Reference is divided into five parts as prescribed by Regulation 7(1) of the 2009 Regulations. Each of the five Parts are summarised in the next chapter, together with a brief commentary on how the requirements in the 2009 Regulations have been interpreted and applied to the collation of each Part of the Book of Reference.

- 1.1.7 A description of the Scheme can be found in the 'Introduction to the Application' **[TR010054/APP/1.1]**, with a more detailed description provided in Chapter 2 of the Environmental Statement **[TR010054/APP/6.1]**.

## 2 Book of Reference Description

### 2.1 PART 1 DESCRIPTION

2.1.1 Regulation 7(1)(a) of the 2009 Regulations states:

2.1.2 Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to –

- i. powers of compulsory acquisition;
- ii. rights to use land, including the right to attach brackets or other equipment to buildings; or
- iii. rights to carry out protective works to buildings

2.1.3 Part 1 of this Book of Reference contains the names and addresses of each person within Categories 1 and 2, as set out in Section 57 of the 2008 Act, along with the area of each plot of land in which the development will be carried out.

2.1.4 A person is within Category 1 if the Applicant after making diligent inquiry, knows that they are an owner, lessee, tenant, or occupier of the land. A person is within Category 2 if they are interested in the land or have the power to sell and convey or release the land.

2.1.5 Parties recorded in Part 3 of this Book of Reference have also been included in Part 1.

2.1.6 The Applicant has taken the cautious approach of seeking powers of compulsory acquisition (or rights of use) in respect of all plots of land required for the Scheme even where it already holds an interest, or presumes it holds an interest, in the land. This approach has been taken to ensure that it has the right to acquire the interests it needs in the whole of the DCO land even where an unidentified owner later asserts an interest in land which the Applicant believes it owns.

### 2.2 PART 2 DESCRIPTION

2.2.1 Regulation 7(1)(b) of the 2009 Regulations states:

2.2.2 Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57

2.2.3 Part 2 of this Book of Reference contains the names and addresses (if known by the Applicant) of each person within Category 3, as defined by Section 57 of the 2008 Act.

2.2.4 A person is within Category 3 if the Applicant believes that, if the DCO were to be made and fully implemented, they would or might be entitled to make a relevant claim as defined in section 57(6) of the 2008 Act. A relevant claim is a claim under section 10 of the Compulsory Acquisition Act 1965,

a claim under part 1 of the Land Compensation Act 1973, or a claim under section 152(3) of the 2008 Act.

2.2.5 It is considered that Category 3 also includes:

- Certain Category 1 'Owners';
- All Category 1 'Lessees and Tenants'; and
- Any Category 2 interests for land within the DCO boundary.

2.2.6 For the purposes of this document we have not repeated parties identified within Part 1 of this Book of Reference, in Part 2 of this Book of Reference.

2.2.7 For avoidance of doubt, the introduction of the seven Scheme changes submitted to the Planning Inspectorate in October 2020 did not result in the identification of any additional Category 1, 2 or 3 parties.

## 2.3 PART 3 DESCRIPTION

2.3.1 Regulation 7(1)(c) of the 2009 Regulations states:

2.3.2 Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with

2.3.3 Part 3 of this Book of Reference contains the names of all those with easements or other private rights over land which it is proposed shall be extinguished, suspended or interfered with as part of the DCO.

2.3.4 Category 2 persons included within Part 1 of this Book of Reference have also been included within Part 3 where their rights may be affected. Examples include tenants of the land, or statutory undertakers with services in or under the land, and whose rights over the land are likely to be affected whether the land is required permanently or temporarily.

2.3.5 Parties recorded in Part 3 of this Book of Reference have also been included in Part 1.

## 2.4 PART 4 DESCRIPTION

2.4.1 Regulation 7(1)(d) of the 2009 Regulations states:

2.4.2 Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made

2.4.3 The Coal Authority confirmed in their letter dated 3 June 2020 that their interests are not Crown Land for the purposes of the 2008 Act. There are therefore no Crown interests within the limits of the DCO application and, accordingly, no interests listed in Part 4.

## 2.5 PART 5 DESCRIPTION

2.5.1 Regulation 7(1)(e) of the 2009 Regulations states:

Part 5 specifies land –

- i. the acquisition of which is subject to special parliamentary procedure;
- ii. which is special category land
- iii. which is replacement land

2.5.2 Part 5 of this Book of Reference specifies land that as part of the DCO is acquired subject to special parliamentary procedure or is special category land.

### 3 BOOK OF REFERENCE NOTES

- 3.1.1 Part 1 of this Book of Reference provides the area in square metres of all land included in the DCO. Areas have not been repeated in Parts 2 to 5 of this Book of Reference.
- 3.1.2 The term ‘approximately’ is used before all plot area measurements as these measurements are given in square metres and each measurement is rounded up to the nearest whole square metre.
- 3.1.3 Each plot of land shown in this Book of Reference has been given a unique reference. The first number relates to the Land Plans sheet on which the plot is located. The second number differentiates between different land owners on each plan. The numbers given to each land owner are assigned from west to east. Finally, the letters which suffix the land owner reference are used to differentiate between plots of the same unique owner on that Land Plan from west to east.
- 3.1.4 The description of each plot of land includes reference to the principal land use power(s) sought in the draft DCO in respect of that plot. The table below is provided to explain the relationship between this Book of Reference, the draft DCO [TR010054/APP/3.1], and the Land Plans [TR010054/APP/2.2] and to clarify the powers sought in relation to compulsory acquisition and temporary possession.

Table 3.1 - Relationship with the Land Plans and DCO			
Colour of the plot on Land Plans	Description of the plot in the Book of Reference	Principal land use power sought	Principal relevant DCO Article
Pink	“All interests and rights in...”	Compulsory acquisition of all interests and rights in land (including as required, subsoil, surface land or airspace)	Article 20 and 21
Blue	“Acquisition of rights over...”	Creation and compulsory acquisition of new rights (including where necessary, a right to impose restrictive covenants)	Article 23
Green	“Temporary possession and	Temporary possession and	Article 29 and 30

### 3.2 How to use this Book of Reference

3.2.1 The table below provides a step by step guide to enable any person with an interest in the land to identify how the Applicant's proposals may affect the land in which they have an interest.

Table 3.2 - How to use this Book of Reference
<b>Step One</b>
Look at the Land Plans <b>[TR010054/APP/2.2]</b> and find the area (plot(s)) of land in which you have an interest.
<b>Step Two</b>
Note the colour and the number of the plot(s).
Using table 3.1 above, the colour of the plot(s) will tell you of the purpose for which it is required.
<b>Step Three</b>
Use the plot(s) number to identify where the land is referred to in other DCO Application documents:
This Book of Reference – Which provides a brief description of each plot (including an approximate area measurement) and details of persons who own, lease or otherwise occupy or have an interest in the land.
The Statement of Reasons <b>[TR010054/APP/4.1]</b> – Particularly Annex A, which provides details of the purpose for which compulsory acquisition and temporary possession powers are sought and references each plot in the Book of Reference to these purposes.
The draft DCO <b>[TR010054/APP/3.1]</b> – Which contains the powers needed to carry out the Scheme and includes the powers of compulsory acquisition to assemble the land required that are listed in Table 3.1.
