For the Attn of Louise Evans Case Manager M54 to M6 link road Case Team.

SCC IP reference: 20025343

Please find attached our submissions for Deadline 2. These include

1. Local Impact Report
2. Written Representation
3. Answers to ExA's first Questions
4. Working Draft SCOG – Please note this is unsigned and a work in progress. The SOCG was supplied to us by the applicant prior to a number of key officers being on leave so we have literally only had Friday of last week and yesterday to consider.

Please can I also confirm our intention to attend and participate in the upcoming Issue specific hearings where we will want to cover the points raised in our written representation. We are also happy to answer any questions on other matters the ExA may have where they believe input from the County Council would assist the examination.

I can also confirm I would prefer to receive all future correspondence electronically.

Thanks
