Hi

Please accept my apologies for not responding to the notification of hearing letter, I unfortunately did not see the notification email (I have now found it buried in my emails) and I only saw this letter yesterday with the Deadline 2 submissions.

I note in the letter that the ExA have said that they would be interested in hearing from M6 Diesel at the ISH2 hearing on 8<sup>th</sup> December at 2pm. I can confirm that I will be available to attend this hearing via MS Teams and that I don't have any special needs requirements. I will also ask my Client if they wish to attend to and ask them to let you know today if they do.

I should be grateful if you would confirm receipt of this and apologies again for missing the original email and thus for this being slightly late.

I look forward to hearing from you

Best regards

Simon
