- 8.29 Draft Planning Obligation relating to Whitgreave's Wood

In respect of document 8.29, the draft Planning Obligation relating to Whitgreave's Wood, we confirm that following the Examining Authority's letter of 19 March 2021, we have been in dialogue with the National Trust about a planning obligation to secure the commitments sought. The National Trust has indicated a willingness to consider providing a suitable planning obligation to maintain Whitgreave's Wood until it is held inalienably and the enclosed draft has been submitted to them for approval. We would welcome any comments that the Examining Authority may have on the draft planning obligation so that the same can be taken into account before it is finalised with the National Trust.

Please feel free to contact me if you have any queries or would like to discuss any documents submitted at this Deadline.

Yours Sincerely

Andrew Kelly
