Subject: RE: M3 Junction 9 Improvement project - Adequacy of consultation request

Dear Melissa,

On behalf of Bracknell Forest Borough Council I can confirm that this Authority was consulted in 2020 in relation to a scoping consultation for the Environmental Statement required to support the application by National Highways for an Order Granting Development Consent for the M3 Junction 9 Improvement and again in 2021 received notification of the Statutory Consultation under section 42 of the Planning Act 2008 and Regulation 13 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017.

Bracknell Forest Council raises NO CONCERNS about the adequacy of the consultation process and raises no objection to the application being accepted for examination.

Kind regards
Jo Male
