Dear Ms Norris

**Planning Act 2008 (as amended) – Section 55
Application by National Highways for an Order Granting Development Consent for the
M3 Junction 9 Improvement
Adequacy of consultation request**

I refer to your letter dated 23 November 2022 concerning the above request.

As an adjoining authority, we were notified of the proposals by National Highways and invited to participate in the pre-application consultation. On that basis, and given that the proposal is unlikely to have any significant impact on the county, we consider that the relevant duty has been met.

Yours sincerely,

Caroline Smith
Planning Group Manager
