#### Suggestions for Accompanied Site Inspections

â€¢ The field / land to the east of the M3 (between the M3, Easton Lane and Long Walk)

Land is privately owned so permission would be required to access / visit the site.

Location has been suggested so the special qualities of the South Downs National Park can be appreciated.

This site required for parts of the new roads / links, the central construction compound and the new proposed bridleway. The land also provides wider context of M3 and proposed changes.

#### Suggestions for Unaccompanied Site Inspections

â€¢ Itchen Valley Way from Easton Village, through Easton Downs to Easton Lane, Winchester

The route is a public right of way (footpath).

Location has been suggested so the special qualities of the South Downs National Park can be appreciated.

Parts of Easton Downs are required for the new roads / links and the drainage / attenuation features and new planting.

â€¢ St Catharine's Hill, Winchester

Site can be accessed from public land / is publicly accessible.

Location has been suggested so the panoramic views and wider context of the South Downs National Park, Winchester and the M3 can be appreciated and understood.
