Subject: Hampshire County Council side legal agreement

Hi Sarah,

I am writing to inform the Examining Authority that the Applicant and Hampshire County Council have reached agreement on the terms of the side agreement and that engrossment is currently taking place. The parties expect to complete the agreement after the next seal date of the County Council.

Please could I invite the Examining Authority to confirm this with Hampshire County Council who, National Highways expects, to confirm that their remaining objections and concerns can now be removed from further consideration in the determination of the Application?

Many thanks

Tom
