Dear Sir/Madam

RE: Planning Act 2008 (as amended) – Section 55

Application by Highways England for an Order Granting Development Consent for the A417 Missing Link

Adequacy of consultation request

With reference to Planning Inspectorate Scheme Reference TR010056- A417 Missing Link, our authority (Wychavon District Council) considers the consultation to be adequate.

However, the authority feels that the consultation was somewhat silent on the determination of the project's budget and therefore costs for route options may not have been directly comparable.

If you have any further queries, please do not hesitate to contact us.

Yours faithfully,

██████████

Dr Faraz Latif
Interim Head of Planning Policy
