Dear Mr Jones

Adequacy of consultation request

Thank you for your letter dated 1st June regarding this matter. You have asked us whether our Council considers the Applicant has complied, in relation to the application, with the following duties;

- Duty to consult the local community - PA2008 – section 47
- Duty to publicise - PA2008 – section 48

In response, our Authority confirms that we were made aware of the proposals by Highways England and that no comments were made in response to the consultation by our Authority.

I trust this is sufficient information. If you require anything further, please contact me directly. We would like to continue to receive information on this proposal as the DCO progresses.

Yours Sincerely,
