Subject: INTERESTED PARTY - LATE REQUEST
Date: 02 October 2021 14:15:04

I appreciate that I have missed the deadline for registering as an Interested Party for the subject application, but I believe there is a precedent for you to allow late requests.

As a resident of Birdlip I believe this application would have a significant beneficial impact on the locality, and I would like to state my strong support for the Option 30 proposal submitted by National Highways.

Regards

John Welham
