Date: 13 December 2021 18:54:47

Dear Sir/Madam

At the most recent meeting of the Brimpsfield Parish Council , held on 1st December 2021, the council agreed the following statement which I would like to share with you and hope that this statement can be included in your examination of the DCO.

"Brimpsfield Parish Council agreed that it unanimously and strongly supports option 30 on all counts as the most appropriate and cost-effective solution to the development of A417. At this stage, all environmental issues have been thoroughly addressed, including the appropriate and sympathetic treatment of the AONB landscape, during the planning process."

I appreciate that it is past the deadline for submissions, although I am aware that a number of late submissions have already been allowed.

Kind regards

Tom Overbury

Chairman, Brimpsfield Parish Council.
