

What we're consulting on

Since the last consultation, we've made some changes to the scheme's design which will further enhance local connectivity and accessibility and reduce the scheme's impact on communities, the environment and the local landscape. Now it's your chance to have a say on our updated proposals. While we welcome feedback on the entire scheme, the changes we're seeking feedback on are:

1. New crossings: Cotswold Way and Gloucestershire Way crossings
2. The change in gradient of the A417 as it climbs the escarpment near Crickley Hill
3. The design of Cowley junction

4. The rerouting of the B4070 to Birdlip via Barrow Wake
5. Improvements for walkers, cyclists and horse riders, including disabled users
6. The replacement of Common Land, which is a type of green space

We're also consulting on the change in environmental effects as a result of the new design. For further information see pages 17-21.
