**Date:** 07 October 2022 20:43:59

---

Dear Sir/Madam,

I am instructed to provide the below response on behalf of the Applicant, National Highways, in relation to the A417 Missing Link scheme (TR010056) and the 2<sup>nd</sup> September request made by the Secretary of State for Transport for an update on outstanding Protective Provisions.

Arrangements have been agreed between the Applicant and Severn Trent Water (STW) on protection for STW's assets. It is understood that STW have today withdrawn their objection and there is now no objection to the protective provisions set out in Part 1 of Schedule 8 to the draft DCO.

I trust that this is helpful in assisting the Secretary of State in their decision making.

Kind Regards

Chris

**Subject:** TR010056 (A417 Missing Link): Follow-up Response to Secretary of State Request (02/09)

Dear Sir/Madam,

I am instructed to provide the below text on behalf of the Applicant, National Highways, and in relation to the A417 Missing Link scheme (TR010056).

Within the National Highways 16<sup>th</sup> September response to the 2<sup>nd</sup> September request

made by the Secretary of State for Transport, for an update on outstanding Protective Provisions, National Highways confirmed that a follow-up response would be provided by 30<sup>th</sup> September. National Highways are able to provide the below update in a form of words that are agreeable to both the Applicant and Severn Trent Water (STW):

*The Applicant and STW have continued to discuss arrangements to enable STW to confirm that sufficient protection has been put in place for STW's assets and that there is no objection to the existing protective provisions set out in Part 1 of Schedule 8 to the draft DCO. The parties have agreed all relevant substantive provisions and administrative steps are being taken to secure the agreed arrangements. Further confirmation that such arrangements have been secured will be provided as soon as possible, and hopefully in the next 7 days.*

I trust that this is helpful in assisting the Secretary of State in their decision making.

Kind Regards

Chris
