Dear Sir/Madam,

**A1 in Northumberland: Morpeth to Ellingham
PLANNING ACT 2008 SECTION 56: NOTIFYING PERSONS OF ACCEPTED
APPLICATION
THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED FORMS AND
PROCEDURE) REGULATIONS 2009: REGULATION 9**

I am writing regarding the proposed A1 in Northumberland: Morpeth to Ellingham (the "Scheme") which proposes to widen the A1 in two sections as follows; A1 Morpeth to Felton (Part A) and A1 Alnwick to Ellingham (Part B).

Highways England is seeking development consent for the Scheme under the Planning Act 2008 (the "2008 Act"). This legislation requires Highways England to make an application to the Planning Inspectorate (the "Inspectorate") for a Development Consent Order (DCO) to get the consent we need to build the Scheme.

Highways England submitted its application for a DCO on 7 July 2020. This application was accepted for examination by the Inspectorate (on behalf of the Secretary of State) on 4 August 2020. Highways England is writing to you because it is required to notify you of an accepted application.

In accordance with the 2008 Act, please find enclosed with this letter:

- A copy of a section 56 notice, providing formal notification of acceptance of the application

Further information regarding the availability of the DCO application documents and where you can view them is included in the enclosed section 56 notice.

Any person may make representations on the application to the Secretary of State (that is: giving notice of any interest in or objection to the Application). Details of the way in which representations must be made are included in the enclosed section 56 notice.

Representations must be received by the Inspectorate no later than 30 October 2020

Please note that any submitted representations to the Inspectorate will be published on the National Infrastructure Planning website for the Application.

Section 56 Planning Act 2008

Regulation 8 of The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009

Notice of Acceptance of an Application for a Development Consent Order

A1 in Northumberland: Morpeth to Ellingham

Notice is hereby given that the Secretary of State for Transport has accepted an application by **Highways England Company Limited** of Bridge House, 1 Walnut Tree Close, Guildford, GU1 4LZ (the "Applicant") for a Development Consent Order (DCO) under the Planning Act 2008 (the "Application"). The Application was submitted by Highways England to the Secretary of State c/o the Planning Inspectorate (the "Inspectorate") on 7 July 2020 and was accepted on 4 August 2020. The reference number applied to the Application by the Inspectorate is **TR010059**.

The DCO would authorise the improvements of the A1 between Morpeth and Ellingham (the "Scheme"). The Scheme consists of two Parts known as "Part A" (Morpeth to Felton) and "Part B" (Alnwick to Ellingham). The proposed development in summary involves:

- The upgrade of eight miles of the A1 to dual carriageway between Morpeth and Felton including construction of a new dual carriageway bypassing the existing A1 between Priests Bridge and Burgham Park;
- The upgrade of five miles of the existing A1 to dual carriageway between Alnwick and Ellingham;
- Four new split-level junctions to be constructed at Highlaws, Fenrother, West Moor and Charlton Mires;
- Construction of a new bridge where the A1 cross over the River Coquet parallel to the existing bridge; and
- Construction of a new accommodation bridge at Heckley Fence.

The DCO would authorise the compulsory acquisition of land, interests in land and rights over land, and the powers to use land permanently and temporarily for the construction, operation and maintenance of the Scheme.

The DCO would make provisions in connection with several ancillary matters including the temporary stopping up of lengths of existing highways in the vicinity of the route.

The Scheme is Environmental Impact Assessment development (“EIA development”) as defined by The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. The Application is therefore accompanied by an Environmental Statement.
