Dear Sir/Madam

Application by Highways England for an Order Granting Development Consent for the A1 in Northumberland – Morpeth to Ellingham

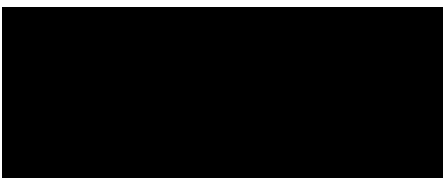

Deadline 2 – 29 January 2021

Please find attached table of comments in response to documents submitted at Deadline 1. Given the large amount of information submitted by the applicant at Deadline 1 it has not been possible to review all the documents in detail prior to Deadline 2, specifically the revised DCO, the Rights of Way and Access Plan (in detail) and the Construction Environmental Management Plan. It is intended to submit comments on these at Deadline 3 if necessary and agreement on revised documents will continue to be discussed with the applicant in Statement of Common Ground discussions.

We do not intend to submit a separate written representation to the Examination and wish to rely on the Local Impact Report submitted at Deadline 1 together with responses to documents submitted to the examination by other parties. We will continue to respond to documents submitted to the examination and to questions raised by the Examining Authority at each deadline as appropriate.

I trust this is all the information you require from the authority at the present time.

Yours sincerely,

Katherine Robbie
