Low-resolution documents for virtual events

The Rule 6 Letter dated 19 November 2020 sets out in Annex E that the Applicant should provide drawings in accordance with the specification set out therein by Deadline 2. This submission contains the provision of Land Plans [APP-006], Works Plans [APP-007] and the full suite of all Figures to the Environmental Statement, Volumes 5 (Part A) and Volume 6 (Part B) in a low-resolution format, including those updated at Deadline 1. These sets of plans have all been checked and verified to be less than 10 MB. These drawings are not listed above or in the Application Document Tracker.

Response to Rule 17 Letter Dated 26 January 2021

The Rule 17 Letter dated 26 January 2021 sets out that the ExA identified a number of errors in the Applicant's Deadline1 Submissions. These errors specifically relate to the reference numbers of documents allocated by the Applicant which have since been superseded by the Examination Library references which the Applicant will use to reference documents once submitted.

For the avoidance of doubt, the table below sets out the correct reference for the documents highlighted in the Rule 17 Letter. None of these documents will be re-submitted at Deadline 2 but will be updated to reflect the Examination Library reference should they be reissued at future deadlines.
