Subject: A1 Morpeth to Ellingham - Hearing Agenda

Dear Candice,

We have set out today to HE our detailed response in regards to the relocation of the wind farm cable in land that is being acquired as part of the DCO by Highways England. As I mentioned last week, this was in response to a detailed letter from HE setting out their reasoning behind the acquisition of additional rights.

My clients do not agree with the additional land take and we believe this to be a major issue.

I am conscious that you will shortly be setting out the timetable for the open floor hearings and I wondered if we are able to have this point set up as a specific element? We would like to involve our lawyer in this element as I don't think matters will be resolved in time.

Look forward to hearing from you

Kind regards
