#### Notes on participation, conduct and management of the hearing

Each IP is entitled to make oral representations at the Hearing. However, this is subject to the Examining Authority's (ExA) power to control the Hearing.

Individuals who have not registered in advance may participate at the discretion of the ExA. You are advised not to repeat in your oral evidence material that has already been included in your Relevant Representation. This has been read by the ExA. You are also advised that any new evidence that you present in your oral representation should be included in post-hearing submissions (including written submissions of oral cases) by Tuesday 29 June 2021 (D10). This ensures that it has been recorded accurately.

**This is the third Open Floor Hearing to be held in this Examination. It is being held because the Examining Authority wishes to hear submissions from Affected Persons and relevant Interested Parties in relation to the Applicant's Change Requests 1, 2 and 3.**
