Agenda for Compulsory Acquisition Hearing 4 (CAH4)

Date:	Monday 14 June 2021
Joining available from:	1.40pm ¹
Meeting start time:	2.00pm ²
Location:	Virtual event

Issue Specific Hearings

All Affected Persons are invited to attend the Compulsory Acquisition Hearing but as this event is being held virtually it would assist with the running of the Hearing if you could let the Inspectorate's Case Team (A1inNorthumberland@planninginspectorate.gov.uk) know by **Friday 4 June** if you wish to participate in the Hearing so that the relevant instructions can be sent for you to join the event.

Each Affected Person is entitled to make oral representations at the Hearing. However, this is subject to the Examining Authority's (ExA) power to control the Hearing.

The ExA requests that the following attendees participate in CAH4:

- **Highways England (the Applicant)** - including representatives of the Applicant who are in a position to discuss the matters on the agenda;
- **Affected Persons.**

Participants may be legally represented if they wish, but the Hearing will be conducted to ensure that legal representation is not required.

At present, there are no requests to be heard from Statutory Undertakers or other relevant bodies. However, the ExA will endeavour to accommodate further requests to be heard from such bodies if these are made.

Guidance under the Planning Act 2008 (PA 2008) and the Infrastructure Planning (Examination Procedure) Rules 2010 provide that it is the ExA that will probe,

¹ Full instructions on how to join online or by telephone will be provided in advance of the meeting to those who register to participate.

² If you are joining as an active participant, please follow the joining instructions for the virtual event carefully and connect to the Hearing in good time. In common with traditional Hearings, the event will start on time irrespective of any late arrivals, for whom access may not be possible.

test and assess the evidence through direct questioning of persons making oral representations at hearings. Questioning at the hearing will be led by the ExA.

The virtual event will be open 20 minutes prior to the start of the Hearing to enable a prompt start. Hearings will finish as soon as the ExA deems that all those present have had their say and that all matters have been covered.

The agenda is for guidance only. It is not designed to be exclusive or exhaustive. The ExA may add other issues for consideration, may alter the order in which issues are considered and will seek to allocate sufficient time to each issue to allow proper consideration of them. Any lack of discussion of a particular issue at a Hearing does not preclude further examination of this issue, including the asking of further written questions.

Every effort will be made to ensure that the issues will be discussed on the day that they are scheduled for. Should the consideration of the issues take less time than anticipated, the ExA may conclude the Hearing as soon as all relevant contributions have been made and all questions asked and responded to.

If there are additional matters to be dealt with or there are submissions that take a considerable amount of time at any Hearing, there may be a need to continue the session for longer on the day. Alternatively, it may be necessary to prioritise matters and defer others to further written questions.

This is the fourth CAH (CAH4) to be held in this Examination. It is being held because the ExA wishes to question the Applicant and hear from Affected Parties or Interested Persons arising from the additional land included within the Order limits as part of the Applicant's Change Requests 2 and 3.

The Applicant and any APs with outstanding objections to CA and or TP proposals are entitled to be heard.

The business of a CAH is limited to the effects of CA and TP and to participation by the Applicant and APs. Oral submissions on other subject matters or from persons who are not APs will not be heard. Any such issues must be brought to another Hearing: either an Issue Specific Hearing (ISH) where the issue sought to be raised is relevant to the purpose of and agenda for the Hearing, or to an Open Floor Hearing (OFH) where IPs may raise any relevant and important matter.

All Examination documents are provided with a unique identification number for referencing purposes shown in square brackets [].

Purpose of the Compulsory Acquisition Hearing (CAH4)

- To discharge the ExA's duty to hear persons affected by CA and TP proposals (Affected Persons (APs)) who request to be heard.
