Disclaimer

This plan shows those pipes owned by Northern Gas Networks or the relevant Gas Distribution Network in their role as Licensed Gas Transporter (LGT). Gas pipes owned by other LGTs or operators previously owned, may be present in this area. Information with regard to LGT pipes should be obtained from the relevant owners. The information shown on this plan is given without warranty. The accuracy thereof cannot be guaranteed. Services pipes, valves, appliances, meter connections, etc. are not shown but their presence should be ascertained. The liability of any kind whatsoever is accepted by Northern Gas Networks, the relevant Gas Distribution Network, or their agents, servants or contractors for any error or omission. Safe digging practices, in accordance with BS5822, must be used to verify and establish the actual position of mains, pipes, services and other apparatus on site before any excavation plan is used. It is your responsibility to ensure that this information is provided to persons (other than direct labour or contractors) working for you on or near gas apparatus. The information included on this plan should not be referred to beyond a period of 28 days from the date of issue.
