Message (submitted): I am greatly disappointed but not surprised at todays announcement that there is yet another delay in dualling the A1 north of Morpeth. (So much for levelling up)!! This is the first time I have written to an MP. I voted for you last time and think you have done a good job but I think you and the party may struggle next time. You may get in and I will probably vote for you again but I think the party has no chance. The conservative leader of Northumberland Council said on TV tonight politicians should keep their promises. (a novel concept). Hope you may be able to put some pressure on those Concerned at the Ministry of Transport. Kind Regards, David Russell
