The Planning Inspectorate aims to communicate with people by email wherever possible, as electronic communication is more environmentally friendly and cost effective for the Planning Inspectorate as a government agency, given the volume and frequency of letters it needs to send to Interested Parties during an Examination. Therefore if you provide an email address we will use this.

If you say that you agree to receive communications by email, you can change your mind later provided you give us seven days notice, either in writing or by email.

Section 2 – Your Representation

Here you should summarise the aspects of the *application* you agree and/ or disagree with and say why. Outline what information, local knowledge or evidence you have which supports this. Please aim to limit this section to no more than 500 words (please use extra paper if needed).

KELVEDON & FEERING HERITAGE SOCIETY
Is a local Society with the principal aim to secure the preservation conservation protection and improvement of the architecture and landscape of the villages of Kelvedon and Feering.

We are most interested in the conservation of Historic Buildings and their environs. We are also concerned about sites and features of archaeological importance and interest.

The Planning Act 2008 process is primarily a written *Examination* process and if you are registered as an *Interested Party* you will have an opportunity, later in the *Examination* process, to provide a more detailed *Written Representation*.

You cannot reserve a right to make a *Representation* later without providing a summary of the points you intend to submit at this stage.

Your *Representation* should take the form of a summary of what you agree with and/ or disagree within the *application*, and any impacts you think it would have.

Please note that your *Representation* **must not** include material that is:

- vexatious or frivolous;
- about compensation for Compulsory Acquisition of land or of any *interest* in or right over land; or
- about the merits of policy set out in a National Policy Statement.

The information you include in the *Representation* section of this form will be used by the *Examining Authority* to carry out its *Initial Assessment of Principle Issues* and to decide the best way to examine the *application*.

Please check that you have completed all relevant sections, otherwise you may not be able to take part in the later stages of the *Examination*.
