We note Annex C of the Rule 8 letter and the need to notify the ExA of an intent to take part in future OFHs, ISHs and CAHs. The Examination timetable does not list all of the hearings and MIAG will register for other future hearings that are listed.

Of those that are included in the Examination timetable, MIAG would like to participate in:

- the next listed OFH (which appears to be w/c 24 April)
- ISH1 on Environmental Matters (28 February)
- ISH2 on the draft DCO (1 March)
