Dear Sir/Madam

Further to our submission (see below) on behalf of our clients and the visit to my clients site undertaken by the Planning Inspectorate today, please find attached for your reference photos of the fishery and of signatures they have received registering objection to National Highways proposed PROW across their land as shown in the plans submitted as part of the DCO.

If you have any questions or require any further information please do let me know.

Kind regards

Oliver

Petition Against  
proposed bridle & public  
footpaths running along Steephed  
lake. This would prevent the usage  
of 16m poles behind them.
