Subject: Issue Specific Hearing 1 - Post Hearing Submission in Writing
Date: 01 March 2023 14:07:02

Dear Rammiel

Thank you to your colleagues / you good self for organising the following event so wonderfully well:

Issue Specific Hearing 1 for the A12 Chelmsford to A120 Widening, 28th February and 1st March 2023.

I am Heritage Warden for Hatfield Peverel Parish Council.

However, I attended the hearings as an independent observer.

I did not formally represent Hatfield Peverel Parish Council.

I am not registered as an interested party.

I wish to submit in writing (if I may) the following matter:

Leaving Hatfield Peverel along The Street / B1137 and proceeding towards Boreham lie a cluster of properties that are of historic interest:

Post Office Stores / Stores Cottages (Grade II)

Vinehurst (Grade II)

Hill House (Grade II)

The William B Restaurant (Grade II*)

12-14 The Street (Grade II)

Hatfield Place (Grade II*)

Crix House (Grade II) along with its garden, wall and lodge house

Milepost 34 (non-designated heritage asset), set flush against Crix wall.

I personally value the contribution these dwellings (and structure) make to understanding Hatfield Peverel's built historic environment.

Thank you for allowing me to attend the Issue Specific Hearing 1.

I really appreciate your efforts on my behalf.

Kind regards

Margaret
