---

Hello and a good day to you all

We as Residents were wondering if the Inspectorate had had a Chance and visited [REDACTED]

[REDACTED] in Witham

To see where the Proposed Bridge Be Built

And we were also wondering if it is possible for one or Two Home owners may be able to tag alongside the Inspectors to give a Local view

As This Bridge will have a major impact on our Homes

With Regards for your position

Alan & Neighbours / [REDACTED]
