15 November 2022

Dear Sirs,

**A66 Northern Trans-Pennine Project**

**Registration to attend the Preliminary Meeting on the 29 November and the Hearings held on 30 November, 1 and 2 December 2022.**

I wish to attend via Teams (not in person) the following Hearings:

Preliminary Meeting on 29th November 2022; and

Issue Specific Hearing 2 on 1st December 2022.

Sport England is a statutory consultee and its role is to protect playing fields. Sport England has a statutory objection in place to this project.

**Agenda Items on which I wish to Speak**

Preliminary Meeting – Item 3 – Initial Assessment of Principal Issues (Rule 6 Letter Annex C)

– 5 Environmental Management Plan.

Sport England welcomes the opportunity to influence how the application is to be examined and would welcome working on a Statement of Common Ground with the Developer (and Eden District Council) to ensure that matters related to mitigating the effects of the impacts and losses of playing field land can be resolved. Sport England is content to continue working with the Examining Authority through written representations.

Yours faithfully,

Mrs Janet Belfield  
Principal Planning Manager – North  
Sport England
