Dear Sir/Madam,

My details are as follows:

Laura Drew [REDACTED]  
Unique reference – 20032249  
[REDACTED]  
07817 755 222

I represent Barnard Castle Town Council, and intend to attend in person for both sessions on the 29<sup>th</sup>, and the session on the 30<sup>th</sup>.

If the questions are not raised by other parties, we would like to understand what assessment was done to investigate the predicted impact on heritage buildings/landmarks with Barnard Castle, and understand the traffic modelling undertaken – the documents that we have been working with for the last three years seem to have changed dramatically at the last minute (though still have not been circulated to all interested parties), and we need to understand how these were produced. For clarity, these questions are specific to the analysis between the “black” and “blue” routes in Section 8 of the plan (Cross Lanes to Rokeby).

I would appreciate confirmation that I am eligible to attend.

Many thanks,  
Laura
