Dear A66dualling@planninginspectorate.gov.uk

Registration IP: 20032002

I discovered this week that I had missed your email about the Rule 6 letter. I was away at the time it was sent. As a result, I missed the deadline for registration for the Preliminary hearing, OFH1, ISH1, ISH2, and CAH1 Hearings (ie Pre-Examination Deadline - Wednesday 16 November 2022).

Please may I register late? I would intend to only join the Preliminary meeting on Tuesday and the ISH2 on Thursday. As per my relevant representation (RR), my main issue of concern is climate change and carbon emissions, and therefore I would possibly wish to speak at the ISH2 at Item 3.4.

My apologies for missing the deadline. I very much appreciate your consideration of my request for late registration.

With best regards, Andrew Boswell
