

## **Summary of Representations on the A66 Northern Trans-Pennine Project**

**18<sup>th</sup> December 2022**

### **1. Introduction**

We are instructed to submit representations on behalf of Mr and Mrs Hayllar of [REDACTED]

### **2. Summary of Representations**

#### Adequacy of Consultations and Information provided by the Applicant

The Applicant has failed to provide sufficient information in respect of their proposals.

#### The Extent of Negotiations to Date

No meaningful negotiation have occurred.

#### The Availability of More Suitable Routes

A route to the north represents a more suitable option.

#### Justification for the permeant acquisition of land or rights over land, and temporary land occupation; and the extent of those needs

We remain unclear that the Applicant requires all of the rights that they seek.

#### Proposed Ecological Mitigation Measures and Pond Locations

The areas identified for ecological mitigation and ponds appear to have been arbitrarily chosen.

#### Liability for Infrastructure

The scheme should not impose any new liabilities.

Demonstration of the Availability of Necessary Funding

We do not consider that the Applicants have properly considered the level of compensation that would be due.
