

Summary Representations on the A66 Northern Trans-Pennine Project

18th December 2022

1. Introduction

We are instructed to submit these representations on behalf of Mr G S Harrison of [REDACTED]

2. Summary of Representations

Adequacy of Consultations and Information provided by the Applicant

The Applicant has failed to provide sufficient information.

The Extent of Negotiations to Date

No meaningful negotiation has occurred.

Creation of new Public Rights of Way

We are concerned at proposals to create new public rights of way.

Access to and from Street Side Farm

Field accesses should remain or be replaced.

Mitigation of Anti-Social Behaviour

The Applicant's design creates areas of land which invite anti-social behaviour.

Justification for the permanent acquisition of land or rights over land, and temporary land occupation; and the extent of those needs

We remain unclear that the Applicant does require the rights that they seek.

Proposed Ecological Mitigation Measures and Location of Ponds & Soil Storage

The areas identified appear to have been arbitrarily chosen.

Liability for Infrastructure

The scheme should not impose any new liabilities.

Demonstration of the Availability of Necessary Funding

The Applicant has properly considered the compensation due.
