Dear Sir/Madam

**re: TR010062 National Highways for an Order granting Development Consent for the
A66 Northern Trans Pennine Project**

Historic England is aware of the document submitted at Deadline 1 by Barnard
Castle Town Council [REP1-010] which has been labelled 'Written Representation -
Local Impact Report'.

This document contains a number of references (at paragraphs 1.13, 7.1.1, 7.2.7,
7.3.10 and 9.3.7) to the views of Historic England as expressed in a letter which was
written following a site visit undertaken in June 2021. Although there are some slight
differences in the way the endnotes in the Town Council's submission refer to this
letter, we understand that all the references relate to the enclosed letter dated 1 July
2021 and addressed to Amey-Arup.

In order to assist the Examining Authority in relation to Historic England's position at
the time it was written, please find the letter enclosed for submission at Deadline 2.

Kind regards,

Lee McFarlane

Inspector of Ancient Monuments
