Please could you note based on negotiations and positions to date (13/2/23) and pending the receipt of answers to written questions that Mr Parsons would intend to speak on behalf of the Trustees of the Winderwath 1989 Settlement at both the Compulsory Acquisition Hearing 2 under item 5 of the headline agenda on the alternative methods of acquisition of rights for environmental mitigation land and also the Issue Specific Hearing 3 under either item 2 or item 3 (as determined appropriate by the ExA) in terms of environmental mitigation justification and also the interaction with detailed design. We reserve the right to alter the topics raised following receipt of the answers to the questions raised by the ExA and further direct communication with National Highways on these topics.
