As today is the deadline for applications to attend and speak, I use this opportunity to register my intention on behalf of Mortham Estates to do both

The ExA are visiting Rokeby on 28<sup>th</sup> Feb – so far this appears to be limited to St Marys Church Carpark but I've requested that this is extended to Rokeby Hall and the wider Park

This should enable the ExA to grasp that NH's DCO assessment of harm on both the Black and Blue Options is woefully inadequate and that NH should be directed to prepare a proper Statement of Significance and Heritage Impact Assessment on both the designated assets but the non designated ones within the broader historic landscape as well

I remain hopeful that we may yet be heard.....

Good afternoon Ros,

The [Rule 13 and 16](#) provides information about the up coming hearings.

Please confirm you wish to attend the Issue Specific Hearing 3, on Thursday 2 March?

With regard to attending virtually, if you wish to be heard, then a link will be sent to you. If you just wish to attend but not speak the livestream will be available on [our website](#).

Please confirm if you will require a virtual invitation?

As I mentioned in my response to Richard agendas will be published 5 days prior the event, this may help with your decision to attend.

Kind regards,  
Katy

Hello,

I would like to register to speak at next hearing. I think I did this in December, but the system is very difficult to understand - I am not even sure of the date, if the open floor hearing is not going ahead. I would want to join the meeting virtually. I assume I will be sent something by email about this meeting?

I am interested in the item on traffic modelling, and submitted comments on this for the HGV Action Group in December.

Thanks

Ros Evans

Good morning Richard,

Thank you for your email.

With regard to the Open Floor Hearing it is not going ahead.

Detailed agendas will be published around 5 days prior to the event on [our website](#).

If Rokeby is not on the agenda you may wish to raise it under any other matters if you have not spoken about it yet.

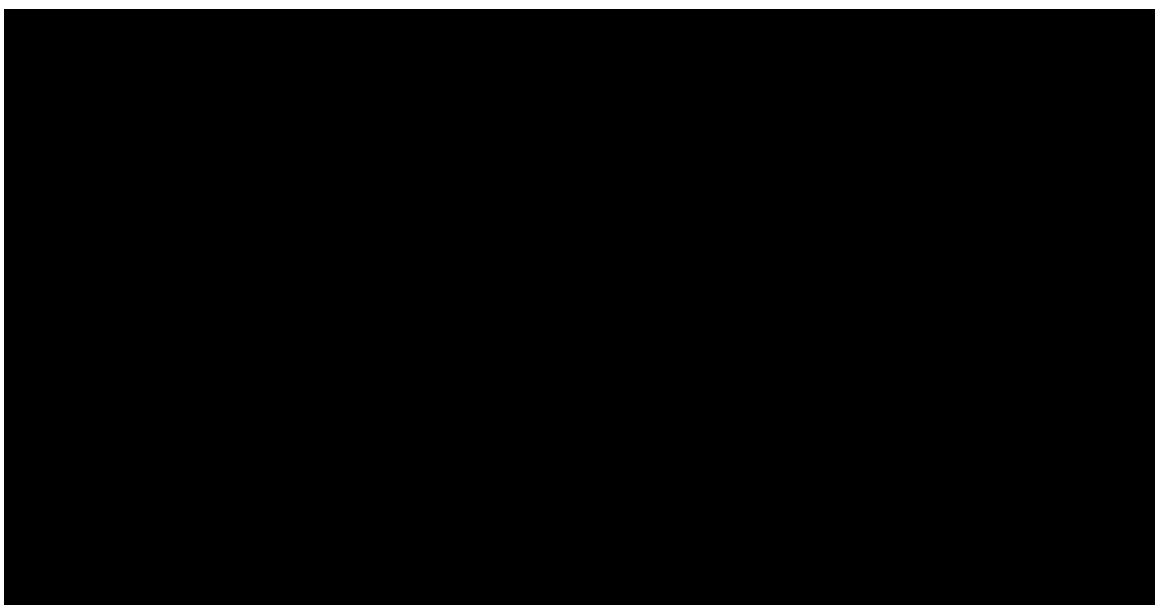

Do you wish to attend in person or virtually via teams?

Hope this is helpful.  
Kind regards,  
Katy

Dear Sir,  
I write with reference to deadline 4 (14 feb) and Issue Specific Hearing 3

[TR010062-001362-Hearings Agendas High Level February 2023 .pdf](#)  
([planninginspectorate.gov.uk](http://planninginspectorate.gov.uk))

I would like to speak about the A66 junction location at Rokeby at either Issue Specific Hearing 3 or an Open Floor Hearing if you deem that to be more suitable.

Can you acknowledge this email please as I find your website remarkably opaque.
