Hi

In my Deadline 1 submission, I indicated that I would like to attend the ISH3 and wrongly assumed that this would be enough notice for you. I have just been told that you need to be notified again of intention to attend and I therefore apologise that I am late with my request.

I am reiterating my request to attend ISH3 and would like to speak on the following issues:

- Climate Change
- Case for the project and Benefit Cost Ratio
- Landscape, viewpoints and photomontages
- English Lake District World Heritage Site Heritage Impact Assessment

Best wishes,

Kate Willshaw
