## **Planning Act 2008 (as amended)**

### **TR010062 - Application by National Highways for an Order Granting Development Consent for the A66 Northern Trans-Pennine Project**

#### **Accompanied Site Inspection Itinerary – 28 February 2023**

The itinerary for the accompanied site inspection can be found below.

Please note that the Examining Authority's (ExA) inspection of sites is **not** an opportunity to provide any oral representations on the project or discuss evidence. It is an opportunity for the ExA to look at the physical features that can be seen on, or from the sites. Participants may be invited by the ExA to point out specific features or sites of interest.

#### **Joining the site visit**

The site inspection will commence at 9:00am at North Lakes Hotel, Penrith. Participants are asked to assemble promptly at 8:30am as the ExA will not wait for parties who are not present at the start time.

To ensure the smooth running of the ExA's inspection, attendees may wish to provide contact details for the day, notify the Case Team if there are any changes in attendance, and ensure the Planning Inspectorate is made aware of any special access requirements.

Please contact the Case Team at [A66Dualling@planninginspectorate.gov.uk](mailto:A66Dualling@planninginspectorate.gov.uk) if you require any more information.

### **Clothing**

Attendees are recommended to wear appropriate sturdy footwear and weather appropriate clothing. The Applicant will provide hard hats, high visibility jackets, safety glasses and gloves, if required.

### **Sites on private land**

Access onto private land is at all times by permission of the person controlling it; householders, occupiers and landowners may refuse to allow some persons accompanying the ExA onto their land. Under those circumstances, the ExA will decide whether or not to proceed with that part of the inspection and may ask those refused access to wait outside.

### **Refreshments**

Please note refreshments will not be provided.

### **Cancellations**

Please note that in the unlikely event that the Accompanied Site Inspection is cancelled we shall endeavour to contact attendees beforehand, but we ask that you regularly check the Planning Inspectorate's website which can be viewed here:
