1 Application Document Tracker

- 1.1.1 The following table provides a list of documents submitted by National Highways to support the application to the Planning Inspectorate for the A66 Northern Trans-Pennine Project Development Consent Order (DCO).
- 1.1.2 Since submission of the DCO application, a number of the original application documents have been revised (shown in grey) and new documents have been produced. This document tracks the submission of these documents to the Planning Inspectorate. This is a live document and will be updated throughout the Examination period and submitted at each deadline.
- 1.1.3 This version of the Application Document Tracker is correct and up to date as of Examination Deadline 7.
- 1.1.4 This version of the Application Document Tracker also indicates where documents have been revised following the Examining Authority's acceptance of National Highways' Change Application (CR-001 – CR-018), as outlined in the *Examining Authority's Procedural Decision in response to the Applicant's proposed changes* (PD-014). This is detailed in the final column which has been added to the below Table 1.1.
