Dear Mr Allen,

A66 Northern Trans-Pennine Project: Application for Development Consent (“DCO application”)

Submission made by the Applicant at Deadline 9

Further to the Rule 8 letter dated 8 December 2022, please find below a list of documents which form part of the Applicant’s submission at Deadline 9 of the Examination of the DCO application:

1. Applicant’s Response to Deadline 8 Submissions (Document Reference 7.48).
2. Deadline 9 Submission on Climate Matters (Document Reference 7.49).
3. Applicant’s Response to the Examining Authority’s Rule 17 Request (Document Reference 7.50). This document also includes the below three appendices:
 - a. Appendix A: Joint Position Statement between National Highways and Environment Agency.
 - b. Appendix B: Joint Position Statement between National Highways and Natural England.
 - c. Appendix C: Joint Position Statement between National Highways and Historic England.

4. Additional Submissions

As confirmed by the Applicant at a previous Deadline, and/or submitted in response to comments made by Interested Parties, the following other documents are also submitted and comprise the remainder of the Applicant’s submission at Deadline 9. We have outlined in the table below a brief summary of the reason for the submission in each case.

Document Reference	Document Title	Reason for Submission
7.51	Crown Authority Consent from the Secretary of State for Defence	<p>Crown authority consent has been granted by the Ministry of Defence in respect of the Crown land on Scheme 06.</p> <p>The letter includes an Appendix, which lists the plots to which the consent relates.</p> <p>Please note that:</p> <ul style="list-style-type: none"> • the table of plots appears twice in the Appendix; the duplication is an administrative oversight – both tables are the same and the second one may be disregarded; and • plot 06-03-34 is stated to be slightly larger in area than is required. The correct dimension (as given for plot 06-03-34 in the Book of Reference for Scheme 06) is 18,704 sqm.
7.52	Habitats Regulations Assessment Supplementary Note – North Pennine Moors SAC/SPA	<p>This document has been prepared in response to comments received from Natural England on the HRA Stage 2 Statement to Inform Appropriate Assessment (APP-235). The comments relate to the assessment of potential air quality impacts on North Pennine Moors Special Area of Conservation.</p>
7.53	Update on land owned by the Public Trustee	<p>This document has been prepared in response to correspondence received by the Applicant on 24 and 25 May 2023 regarding the status of land owned by the Public Trustee. Its purpose is to explain the Applicant's understanding of the Public Trustee's position in relation to the Applicant's request for Crown authority consent.</p>
