Good Morning,

I am currently checking through the responses received to the Sec of State request regarding the A66 upgrade.

I not a response viewable via <https://infrastructure.planninginspectorate.gov.uk/wp-content/uploads/projects/TR010062/TR010062-002238-Town%20Centre%20Regeneration%20Ltd%20for%20Penrith%20Properties%20Limited.pdf>

In regards a communication from a company that states its acting on behalf of recovers for a company named PENRITH PROPERTIES LIMITED is a registered oversea entity , incorporated in the British Virgin Isles.

Based on past investigations I have carried out in regards the works and consultations the company that is linked to the land on Junction 40 is indeed a company called Penrith Properties Ltd but is a UK based company registered in the UK and is still an active company registered at an address in Penrith.

Full details are available on Companies house <https://find-and-update.company-information.service.gov.uk/company/08189021>

I am concerned that there could be some attempt to commit passing off or a potential fraudulent act in play with this response that would be worth checking into before progressing further with the individuals communicating on behalf of the company named.

Regards  
Cllr Jonathan Davies
