Dear Planning Inspectorate Case Team

**A66 Northern Trans-Pennine Development Consent Order (the "Order")**

We act for National Gas Transmission PLC in respect of the above matter.

Our client submitted an objection to the Order in accordance with the Examination Timetable. Our client has since reached an agreement on commercial terms with National Highways in respect of the impacts on National Gas Transmission PLC and will be entering into an agreement formally setting out these terms as soon as both parties can execute this. Once these terms are completed, National Gas Transmission PLC shall withdraw its objection to the Order and we will be back in touch with you at that point.

Yours sincerely

Bryan Cave Leighton Paisner LLP
