Dear Rishi Sunak,

I am horrified that the A66 update has been deferred until March 2024, when it was supposed to be resolved this week.

More and more delays and more people dying.

What happened to 'levelling-up for the North' and urgency for improving traffic infrastructure in the North?

Surely I don't need to remind you that this is particularly pertinent to you, as the A66 is on your patch?

Meanwhile, those of us in adjacent villages are still waiting for relief from excess rat run traffic, especially on Fridays and the frustration and fear of accessing / crossing the A66 on a daily basis.

Yours frustratedly,

Judith Stansfield
Melsonby Parish Council
