Subject: A66 Duelling

Dear Rishi

I noticed from the press today that the decision to duel the A66, which a decision was due to be made yesterday, has again been postponed.

This plan to duel this road has been ongoing as far back as I can remember and now being [REDACTED] still has not happened.

As a resident of [REDACTED] I implore you as our MP to make sure this upgrade goes ahead as soon as possible.

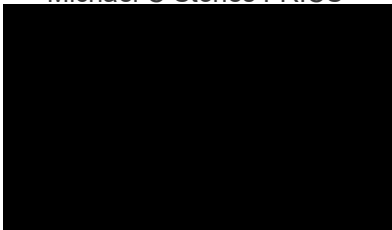

A great number of people in this area are watching and will not forgive you or your party if this project fails to happen.

As you have cancelled HST2 then I think some of those savings need to go in upgrading this road which is a vital northern east west road link as you are well aware.

I hope you support this project and will endeavour to ensure it starts as soon as possible.

Kind regards

Michael C Stones FRICS
