Dear Planning Inspectorate Case Team

Applicants post meeting note of the Preliminary meeting and the Applicant's request to be heard at notified hearings – A46 Newark Bypass (TR010065)

Please find the following updates on items raised at the Preliminary Meeting (PM) on 8 October 2024.

At the PM the Examining Authority (ExA) suggested progressing a Statement of Common Ground (SoCG) with the Newark and Nottinghamshire Agricultural Society following a representation by Mr Aspbury. A SoCG has been progressed and is being submitted at Deadline 1.

In relation to Newark and Sherwood District Council's request for additional viewpoints in their submission at Procedural Deadline A on 24 September, the Applicant can confirm that this additional viewpoint will be submitted at Deadline 2 as a package with the additional viewpoints requested in the ExA's Rule 6 letter 9 September document reference PD-005.

The Applicant requested clarification of the updates of the Book of Reference required at each deadline. It was agreed that a full land registry refresh would be required at Deadline 3, and by the end of the examination period at Deadline 8. A further update would be provided at Deadline 5 if required in the event that the Applicant had become aware of any changes.

The Applicant acknowledges the ExA's clarification that the draft Accompanied Site Inspection (ASI) itinerary to be submitted at deadline 1 is not to include locations already visited on the Unaccompanied Site Inspection undertaken by the ExA in August but to include locations of structures, construction compounds and where private access will be required. The draft ASI also includes Hargon Lane which had been requested by Mr Shapley at the PM.

Please see attached to this letter a list of the Applicant's representatives who are likely to attend future hearings and may be required to speak, subject to confirmation of future hearing agendas.

Should you require additional information please do not hesitate in contacting me.

Yours sincerely,

Ranga Kalupahana
Project Director
