Dear Sirs

**London Luton Airport Limited
Planning Act 2008 Section 46 Notification
Proposed Expansion of London Luton Airport Development Consent Order**

We act for London Luton Airport Limited ('LLAL'), owners of London Luton Airport ('LTN').

We write to provide the Secretary of State with notification for the purposes of section 46 of the Planning Act 2008 ('the Act') that LLAL proposes to commence consultation pursuant to section 42 of the Act in regard to its proposed application for a Development Consent Order to authorise the expansion of LTN ('the LTN DCO'). The consultation will begin on **Wednesday 16 October 2019** and the deadline for receiving responses is **11:59 pm on Monday 16 December 2019**.

As you are already aware, LLAL proposes to apply to the Secretary of State under section 37 of the Act for the LTN DCO. The application would seek, amongst other things, authorisation for the construction and operation of a new second terminal and associated facilities, including new aircraft stands, apron and taxiways, predominantly on the north side of the existing runway at London Luton Airport.

LLAL's proposals include increasing LTN's capacity from the current permitted cap of 18 million passengers per annum ('mppa') up to 32 mppa, which means the project is classified as a 'Nationally Significant Infrastructure Project' by the Act.

In accordance with section 46 of the Act, LLAL hereby supplies the Secretary of State with the same information that is being supplied to all relevant consultees identified in accordance with section 42 of the Act, and encloses with this letter the following consultation documents on USB (in electronic copy):
