Future LuToN

Making best use of our runway
Public consultation invitation

16 October – 16 December 2019

Our consultation

We are consulting and asking for your feedback on our expansion plans to make best use of the runway at London Luton Airport.

We are London Luton Airport Ltd – the company that owns London Luton Airport.

Expanding London Luton Airport to handle up to 32 million passengers a year would bring significant benefits that would be shared locally, regionally and nationally.

We recognise that our proposals would bring impacts, for the environment and people who live and work nearby.

We are committed to minimising and mitigating these impacts and are setting out measures to tackle them, including for noise, climate change, air quality and transport.

Our consultation begins on Wednesday 16 October and ends at 11:59 pm on Monday 16 December.

Our proposed development for achieving phased airport growth to 2039 will be displayed at a series of consultation events in your area.

At the events you will have an opportunity to view the proposals, speak to members of the expert project team, and provide your feedback.

The full programme of events is shown overleaf.

All information being presented in support of this consultation can be found on our website at [\[redacted\]](#) where you can also provide your feedback.

If you do not have access to a computer, please contact us to discuss other ways to view the documents. Contact details are included on the back of this newsletter.

Since our first consultation held in summer 2018, we have reviewed all of the feedback provided to help develop our proposals.

We are consulting again now to show you how our plans have developed, and to hear your views.

Ensuring everyone benefits

We are proud of the benefits that London Luton Airport already brings to Luton and nearby communities, including:

- Direct employment of 9,900 jobs at the airport
- Support for around 15,600 jobs across Bedfordshire, Buckinghamshire and Hertfordshire, and 27,500 nationally
- National economic contribution of £1.8bn, including £1.1bn into the three counties and £880m for Luton

- Our own Community Funding Programme, which has already provided more than £120m over the last ten years for local charities and voluntary organisations in Luton and beyond, for the benefit of communities most impacted by airport operations

Future benefits would include:

- An increase of 5,600 direct jobs at the airport by the time it is handling 32 mppa. By this time, London Luton Airport could be supporting around 24,600 jobs across Bedfordshire, Buckinghamshire and Hertfordshire, and 43,600 nationally

- An increase of £2bn in the airport's national economic contribution by 2039, including £1.3bn more within Luton and the three counties
- A new funding package worth up to £14m a year for local authorities representing neighbouring communities most affected by airport operations
- Support in Luton for the council's clear goal to tackle poverty and improve lives

Come to an event

Below are details of our consultation events. There is no need to register, you are welcome to drop in and join us at any point in the allocated time.

If you are unable to attend our events, you can also view our plans online and provide us with your feedback by visiting: futureluton.lal.org.uk

A series of events will be taking place in various different areas, see below to find your nearest event:

Date	Town/village	Venue address	Time

Welwyn Library, Civic Centre, Prospect Place, Welwyn AL6 9ER
Wendover Community Library, High Street, Wendover HP22 6DU

Why grow?

London Luton Airport has been one of the UK's fastest growing airports over the last eight years. It is expected to reach the limits of its existing planning approval to handle 18 million passengers per annum (mppa) by the end of 2020.

Our proposal is to build a new second terminal to the north of the runway to allow the airport to expand.

This would enable us to increase the annual capacity of the airport over time by a further

14 million passengers, bringing it up to 32 mppa. This would help meet the significant projected shortfall in UK aviation capacity.

As we grow, we want to:

- Be a better neighbour to local communities
- Improve choice and the customer experience for our passengers
- Deliver greater opportunity to trade for local businesses
- Enable cost-effective growth for our airlines

F3 Leighton Buzzard event newsletter

12 November 2019

Dear Sir/Madam,

Future LuToN: Statutory Consultation Leighton Buzzard Consultation Event

We, London Luton Airport Limited, the company that owns London Luton Airport, are consulting and asking for your feedback on our expansion plans to make the best use of our existing runway at the airport.

We are proposing to make best use of our existing runway by building a new terminal, infrastructure, public transport facilities, and improvements to roads and highways. This is classified as a Nationally Significant Infrastructure Project, and so will be decided by the National Planning Inspectorate and the Government, rather than by local planning authorities.

As part of this process, we have been consulting local residents and communities on our proposals across the region, in the form of consultation events. Due to high attendance at these events, we have decided to host an additional event in Leighton Buzzard, so we can explain our proposals, and answer any questions you may have. The details of the consultation event are as follows:

On: Friday 22nd November 2019

At: Leighton Town Football Club, Bell Close, Lake Street, Leighton Buzzard, LU7 1RX

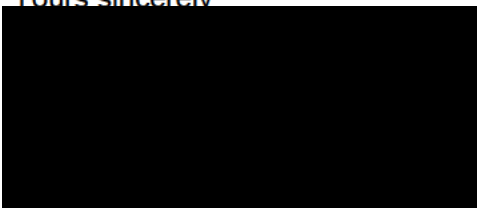

Between: 4pm and 8pm

This event is a drop-in consultation and as such you can visit whenever is most convenient for you during the opening hours.

Our consultation is open until Monday 16 December and you can submit your feedback in a number of ways (online: complete and submit the feedback form online by visiting our website:  download and print the feedback form from the website, complete and send it back via our freepost address: Freepost Future Luton LLAL; or email your comments and/or feedback form to futureluton@llal.org.uk or attend our consultation events).

If you are unable to attend but would like to speak to a member of the project team, you can do so by calling 01582 548872 or by email on futureluton@llal.org.uk.

Yours sincerely

Hart House Business Centre, Kimpton Road, Luton, LU2 0LA

Future LuToN expansion consultation: Making best use of our runway

We, London Luton Airport Limited, owner of London Luton Airport, are consulting on our expansion plans to make best use of our runway and invite you to have your say on our proposed development.

We reviewed and considered all the feedback received during our summer 2018 consultation to help develop our expansion proposals. We are now consulting again to show you how our plans have evolved since then, and to hear your views.

Have your say on the future of London Luton Airport. Our consultation is open from Wednesday 16 October, with deadline for comments at 11:59 pm on Monday 16 December 2019.

A series of events will be taking place in various different areas, see below to find your nearest one:

Date	Town/village	Venue address	Time
Fri 25 Oct	Luton	Maidenhall Primary School, Newark Road, LU4 8LD	4pm – 8pm
Sat 26 Oct	Luton	Wigmore Church & Community Centre, Crawley Green Road, LU2 9TE	11am – 5pm
Tues 29 Oct	Dagnall, Bucks	Dagnall Village Hall, Dunstable Road, HP4 1RG	4pm – 8pm

F6 Poster – A4

Future LuToN expansion consultation: Making best use of our runway

Have your say on the future of London Luton Airport. Our consultation is open from Wednesday 16 October, with deadline for comments at 11:59 pm on Monday 16 December 2019.

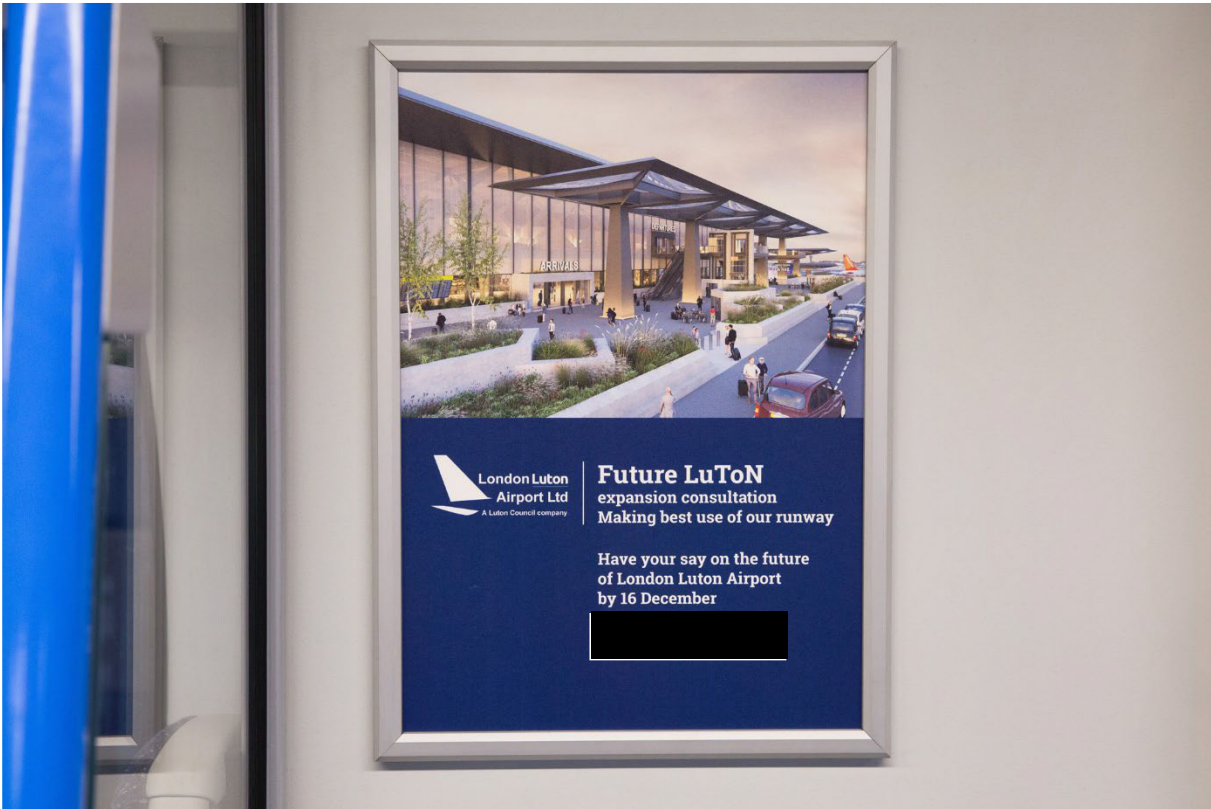

For further information on events or details of our proposals please visit

Expanding London Luton Airport will bring significant benefits that will be shared locally, regionally and nationally. We are committed to minimising and mitigating the impacts of expansion.

Our proposals for achieving airport growth will be displayed at a series of consultation events in your area. At the events you will have an opportunity to view plans, speak to members of the expert project team, and leave your feedback.

'He made me think my family hated me'

by Crime Reporter
REPORTER

A Luton woman who was brutally beaten by her boyfriend has spoken out after her attacker was jailed for three years.

Amya, 39, of P11, said her boyfriend, 37, was found guilty by a jury of attempting to strangle her when she was pregnant with their first child in April 2015. She was arrested a year later when Amya was pregnant with their second child.

She said she was not in any danger and that she had started a relationship with her boyfriend because she needed him and gradually fell in love with him. "I would also speak to him."

"What I want to say to my family is that I never wanted to see the end of my life like this."

"He made me believe that my family would be angry with me if I did not go back to him."

"I told my family that I was not in any danger and that I was not in any danger and that I was not in any danger."

"I told my family that I was not in any danger and that I was not in any danger."

"I told my family that I was not in any danger and that I was not in any danger."

Super Seabrook top of the class!

Children at Luton's Seabrook Day Nursery have achieved top scoring in a competition to design a new play area for the school. The winning design, 'Super Seabrook', was created by the children and will be used to replace the existing play area.

The competition was held in conjunction with the school's 'Super Seabrook' project, which aims to improve the school's facilities and provide a better learning environment for the children.

The winning design features a large play area with a variety of equipment, including a climbing frame, a slide, and a sandpit. It also includes a shaded area for the children to sit and play in.

The school's headteacher, Mrs. [Name], said she was proud of the children's achievement and that the new play area will provide a better learning environment for the children.

Make your vote count in this year's Luton's Best Awards

by News Reporter
2019-11-26

The votes are flooding in, but there is still time to support your favourite in this year's Luton's Best awards. Some of the nominees already have more than 100 votes, and competition for the top spots is fierce.

The shortlist drawn up by Luton's Best Awards aims to recognise the achievements and establish contributions of the best in the town.

This year marks the 10th anniversary of awards, and the awards will be presented at a special evening including fireworks, a disco.

There will be some other surprises too!

Nominations by the public, these shortlisted by our judging panel, made up of people who have a stake in the town and across our area - are from all walks of life, all ages, and from all over the town.

Their achievements are awe-inspiring and a lesson to us all.

These are the first Luton's Best Awards in 10 years, many of our local businesses and leading local figures from those business, sport, politics and the arts have all taken part.

Hosted by Andrew Carlisle, who has previously been the organiser to enable others to vote.

Halloween Party to support Life Kitchen

A woman from Caddington is organising a Halloween Party on Saturday, November 23, to raise money for Life Kitchen.

Sharon Harris wants to see government and money for Life Kitchen, the charity for Life Kitchen work, along to care for those who have lost their sense of taste. Life Kitchen was set up in 2017 by an RNLI when he lost his mother to cancer.

The event at the Crickwold Public House in Caddington is from 7pm until midnight. Guests can enjoy a buffet, curry tasting, and a live auction and a quiz.

Sharon said: "I want to raise money for Life Kitchen, they develop menus and recipes and provide free cooking workshops for people that are living with cancer and have had chemotherapy treatment. One side effect of having this illness or undergoing chemotherapy is loss of taste."

Life Kitchen combines ingredients and cooking techniques to enhance the appeal of food. At the event, Sharon Harris will be able to share that experience with friends and family.

"So many of us do not generally think about disease or have never seen someone with a condition like this."

"I feel the work that Life Kitchen produces has a real impact on the quality of life."

To achieve their aim of producing specialist healthy and appealing recipes, Life Kitchen has raised £20,000 to date.

Donations from the event will support recipe development, collaboration with world leading cancer body and food organisations, publication of recipe books and YouTube videos, and recipes and tips to make them more accessible.

Sharon added: "We have over £2,000 worth of food and services to win in the raffle and silent auction."

Luton entrepreneur shares his successful Bitcoin experience

By Holly Patel

A 39-year-old entrepreneur from Luton has shared his success in making £100,000 in profits from his Bitcoin investment. He did this by investing in the digital currency through a company he set up in Luton. The man, who is now a successful entrepreneur, has shared his experience with a group of people at a consultation session in Luton.

Peter said: "I did some research and decided to invest some money. I expected the crypto market to be volatile and there would be some risk, but it paid off at a higher price."

"The best way to describe the way I made my money is much like a trader who buys and sells shares from a wholesaler for profit and then selling them on for a profit."

"Over the years I have kept on growing and I decided to quit my job and focus on crypto."

"Through investments in the market I have been able to buy a new car and three properties."

"The former Luton student also helps his mum and son by investing in money back to family in the Philippines."

He said: "Traditionally I'd walk into town to go to the bank and pay a foreign exchange fee and wait three hours for the money to get sent by using Bitcoin. It's a lot faster and easier to use."

Peter is now the chief executive of a company that provides a new brokerage platform for digital currency trading and investment.

"I want to help others become successful. I go back to the school I left to years ago and talk to the pupils about my career and how to get to where I am."

"There were a lot of people who were interested in what I was doing but I wasn't with the right drive and ambition. They are now where they want to be."

Disability car stolen from outside home

A man from Luton is appealing for people's help after his disability car was stolen from outside his home. The car is a red Vauxhall Astra and is a 2014 model. The man, who is a wheelchair user, has been unable to get the car back since it was stolen. He is appealing for anyone who has seen the car or has any information to help him find it to contact the police on 101.

The man, who is a wheelchair user, has been unable to get the car back since it was stolen. He is appealing for anyone who has seen the car or has any information to help him find it to contact the police on 101.
