Dear Sian

I refer to your attached letter. From our recollection, the process to date has included:

- Non-statutory meetings with local authorities in June 2018
- Consultation on the Statement of Community Consultation in June 2019
- Statutory consultation in October 2019 which MKCC responded to, and our comments are set out in Appendix L.
- Statutory consultation in Feb 2022 which we MKCC responded to, and our comments are set out in Appendix M.

On the basis of the above I have no reason to suspect that the consultation process has not been adequate.

Kind regards, Paul

Paul Thomas
