The Planning Act 2008 process is primarily a written *Examination* process and if you are registered as an *Interested Party* you will have an opportunity, later in the *Examination* process, to provide a more detailed *Written Representation*.

You cannot reserve a right to make a *Representation* later without providing a summary of the points you intend to submit at this stage.

Your *Representation* should take the form of a summary of what you agree with and/ or disagree within the *application*, and any impacts you think it would have.

Please note that your *Representation* **must not** include material that is:

- vexatious or frivolous;
- about compensation for Compulsory Acquisition of land or of any interest in or right over land; or
- about the merits of policy set out in a National Policy Statement.

The information you include in the *Representation* section of this form will be used by the *Examining Authority* to carry out its *Initial Assessment of Principle Issues* and to decide the best way to examine the *application*.
