Dear Mr. Burnie,

Thank you for your email confirming receipt of the contact details for Buckinghamshire Council.

Also, many thanks for the clarification regarding the Examination Timetable and also the helpful suggestion about registering for notifications.

Buckinghamshire Council also notes the letter of 16<sup>th</sup> May 2023 from the Lead Member for the Examining Authority (ExA), Jo Dowling. I note that this letter has been sent to 5 local authorities. It is noted that some of these are host authorities and also neighbouring ones. Buckinghamshire Council is a neighbouring authority which will be affected by the proposed DCO application. Would the Lead Member for the ExA agree to Buckinghamshire Council being a party to the Principal Areas of Disagreement Summary Statement? The Council wishes to be helpful in the process of the consideration of this DCO application and therefore would welcome the opportunity to assist the ExA.

I look forward to hearing from you.

Thanks,

**Daniel Gigg**
